In August of 2010 New Life Bible Church became affiliated with Independent Fundamental Churches of America (IFCA). The church itself was established in the early '80's as Alma Baptist Church, but when our Pastor left in August of 2009 we re-evaluated our purpose as a church and felt that we could be more effective as an Independent Bible Church. We spent the next year rewriting our Constitution, changing our name, and determining our mission as a church. Dan Dickey is currently serving NLBC as our Interim Pastor. He and his wife, Lori, live in Belton, Missouri and drive the two hours each Sunday to fill our pulpit. He has been our interim for a little over a year. Currently, Dan is the Administrator of the Family Shelter of City Union Mission in downtown Kansas City. Lori also works at CUM in the business office. Dan and Lori both have a heart for Small Rural Town ministries, but because of our small size we are unable to support

him on a full-time basis. He and Lori are graduates of Appalachian Bible College.

Our church membership consists of 4 families (12 members) and we are still searching for a full-time pastor. We are currently working with Rural Home Missions Association to help us find God's Man to

lead our congregation. The ministries that we have as a church during the School year are a Children's Bible Club and a high school ministry (Fellowship of Christian Athletes). The Children's Bible Club averages about 25 kids from grades 1 to 5 and the FCA ministry averages 15-20 teens each Wednesday.

Alma Kansas, The City of Native Stone, is a small bedroom community of less than 1000 residents and is nestled in the heart of the Flint Hills. Alma is located just 30 miles West of Topeka, 30 miles South East of Manhattan and about 35 miles East of Fort Riley. Most of the families work outside the community, but the people are long-time residents and take great pride in their town, their schools and their German heritage. There are several denominational churches which rely heavily on their long-standing traditions. These views as well as being a "strong Christian" community is one of the greatest challenges we face as a Church.
