IFCA International Church Planting

Please Pray:

- We have 80 people attending with room for only 110. We continue to grow and need wisdom and guidance in regard to facility plans.
- Vacation Bible School in July 2011
- For leadership to remain spiritually healthy and alert. The attacks have been many
- For help in dealing with typical challenges of a four-year old church.

- For help in dealing with typical challenges of a four-year old church.

Faith Bible Church was established in September 2007 with a core of about 30 people who wanted solid Bible Teaching and who had a heart for the Community. The church is a sister church, planted by Grace Bible in Portage where Dr. Steve Corbett has pastored for over 30 years. There are currently five men in the church who have completed a three year elder training course and who will be affirmed in that position this Fall.

Dr. Corbett teaches Wednesday nights, one of Grace's Elders, Dave Stowell, teaches the Adult Sunday School class and Pastor Mike Gormican preaches on most Sundays. The regular attendance is around 80 people on each Sunday. Most of the people in the church come from denominational back-

grounds. The hardest thing for some of them is understanding God's actual love for them where they are and knowing, based on their belief in Jesus as their Savior, they are going to heaven.

The church is barely meeting budget but God is faithful. Faith pays half of Pastor Gormican's salary and Grace pays the other

half where he still serves as administrative pastor, dividing his time between the two churches which are about 17 miles apart.

Mike says, "I never considered myself a church planter but I am definitely a part of a church plant. We would like to buy the building we are in despite its leaky roof and proximity to the Canadian Pacific Railroad. The train comes so close I have to be quiet when the engine blows its whistle because it is only about 100 feet away."

There have been many challenges and attacks by Satan upon the church. Some in the community consider us a cult but fewer do as they see me in the community and realize the charisma necessary for a cult leader is not evident in the pastor."
